The Gunsmith #402: Kidnap a Gunsmith J. R. Roberts

The town of Casa Grande was meant to be just a stopover for Clint Adams to get his boot repaired and his horse shod. Of course, nothing goes that easy for The Gunsmith. Soon he is involved with two sets of brothers: one set kidnaps him and tries to sell him to the other side to cancel a crippling gambling debt. But the Tanner brothers are just kids trying to make a better life for themselves and their sister; while the Colter brothers are a murderous gang. In the end, with the aid of two lovely ladies, Clint ends up helping the Tanners, while he himself must avoid being gunned down by the deadly Colter Gang.
