The Hell Fire Club (The Underground Classic)

Daniel P. Mannix

The Hell Fire Club (The Underground Classic) Daniel P. Mannix

The compelling story of the rise and fall of a shocking secret society. In the ruined abbeys and elaborately decorated caves of England, the notorious Hellfire Club held meetings that shocked and terrified the countryside. London madams scoured the city for young girls to supply the club. Rakes flocked to meetings. Yet it was typical of late eighteenth century England that the club's members included famous men from the worlds of art and politics, even the then Prime Minister. The list of members could almost be mistaken for the "honours list" of the most eminent men of the day and when news of the club's activities leaked out, it caused the biggest political scandal in British history. Brilliant, perverse, equally capable of elaborately obscene jests and the intricacies of parliamentary politics, the members of the Hellfire Club were the most astonishing men of their time. Since its inception over two hundred years ago, the record of their revels has fascinated and repulsed the world.
