The Making of Cabaret Keith Garebian

A handy and engaging chronicle, this book is the most detailed production history to date of the original Broadway version of Cabaret, showing how the show evolved from Christopher Isherwood's Berlin stories, into John van Druten's stage play, a British film adaptation, and then the Broadway musical, conceived and directed by Harold Prince as an early concept musical. With nearly 40 illustrations, full cast credits, and a bibliography, *The Making of Cabaret* will appeal to musical theatre aficionados, theatre specialists, and students and performers of musical theatre.
