## **Why Does the Devil Desire to Damn You? And Other Sermons** Oliver B. Greene

In his foreword to this new collection of sermons, the author remarks that "There are those who deny the existence of a personal devil. Many ministers teach that Satan is only an influence, but the Word of God teaches clearly that there is a personal devil." It is with just such a personal devil that the Reverend Mr. Greene is here concerned. Only a personal devil could conceive a desire for the damnation of a human soul. His reason - the answer to the question of why the devil desires to damn you - is satanic indeed: to grieve and hurt God. Additional sermons go on to discuss at greater length some of the implications of the devil's desire to damn: in 'Word From Hell' the author gives the reader a personal testimony from a man engulfed in the flames of hell; "What's Worse Than Going To Hell?" asks a startling question, and provides a startling answer; Satan's ?endish methods are discussed in "Eight Ways the Devil Deceives"; and still other sermons offer Reverend Greene's unique insights into such important subjects as Victory, Demons and Death. Here is a volume which should be read by those who truly desire to know the truth about the devil, for if in Christ "we are not ignorant of his devices" (II Cor. 2:11), we need not fear that Satan will triumph over us.
