Edie Claire

**Wraith (Hawaiian Shadows)** Edie Claire

*A captivating ghostly romance from USA-Today bestselling author Edie Claire!*

**She thought that seeing the shadows was a curse. Until she saw him.**

Seventeen-year-old Kali has always seen two sets of people: those living now, and those who lived before. But on her spring break in Hawaii, she is suddenly surrounded by more shadows than ever. Including one who, unlike the others, can see her too.

Zane remembers nothing besides surfing the monster waves of Oahu's North Shore. He doesn't even know how, or when, he died. He only knows that Kali's "gift" could be his last chance to find the light -- before the mysteries of his past plunge them both into darkness...

## Meant To Be

*"One of the best books I have read this year... An element of suspense runs through the pages, and the endearing tale builds to a crescendo of excitement and thrill while warming the heart. Meant To Be is a powerful story of love, healing, discovery and truth... I closed the covers wishing I could stay inside the green world of Meara and Fletcher's mountain. Ms. Claire has woven a tale that touched my soul and will live as a cherished keeper to read again and again. I am pleased to award Meant To Be our finest honor, RRT's Perfect 10."
