A Bag with No Secrets is the story of two loves in the life of Terry Devlin, a student at the University of Arizona in the 1950s. The first is a wild, passionate, adolescent affair with Ian Tolson, a high-school football player. Ian moves away, leaving Terry disconsolate at a vulnerable time of his life. Ian's unexpected return years later leads to Terry's exposure to a series of robberies and murders, which nearly cause his death.

His second love is with Kevin Morrison, an acerbic engineer of American Indian descent. Kevin, for his part, looks on Terry as only a friend. So Terry has to conceal his love, or risk his friendship. Kevin will never be able to return his affections, or so Terry thinks until one memorable night on a hike in the Santa Rita Mountains.
