Sometimes falling in love is the easy part...

A Rancho del Cielo Romance

Locke Jackman is single, childless...and he has a bad case of empty nest syndrome. For years, as he fought tooth and nail to keep his brothers and sisters together after his parents died, his entire life was focused on his responsibilities.

Now his siblings have all moved on with their lives, and there's no one around to distract him from his overpowering attraction to his sister's best friend. Their mutual desire is stunning...but then again, so are the secrets keeping them apart.

Susie Packard's nightmarish marriage taught her what happens when she gives in to her weakness for powerful men. Too bad the big, stoic frowner across the street—the one who sets her bells jangling just by breathing—has her in his sights.

Try as she might to keep her emotional distance, Locke is determinedly knocking down all her walls. But as much as she wants to be the woman he needs, she knows better than most—passion may have its rewards, but every secret has its price.

Warning: This book contains a hot, modern-day Viking seducing his way to the heart of his woman, a stubborn lingerie designer with a world of secrets and a very deep bathtub... Enjoy!
