**Nash** is a six-foot-eight, rule-breaking, woman-claiming, firefighter bear shifter. He's got scorching hot sex appeal from his shoulder-length blonde hair down to his firefighter boots--and everywhere in between. The bad boy never thought he'd have just one mate, yet he can't shake his need to claim Tess, the cute little burn unit nurse with the softest touch. He finally gets her where he wants her, and out of nowhere, she sends him packing with no explanation, with all her secrets still close to her chest. If he doesn't do something drastic, he'll lose the one woman who can tame his bear.

**Tess** has been living with one goal and one goal alone--to protect her brothers after a tragedy. She works to support them, and there's not enough time in the day to be social, until Nash, the scorching hot God of a firefighter asks her out. Nash breathes new life into her existence, but Tess is not ready to let him in just yet. And when two new disasters strike, her only option is to shut Nash out. She does not expect he'd be the one person who can turn it all around.
