That is until he goes to the veterans rehab center and meets the hunky physical therapist who makes him think twice about love.

Physical therapist and veteran Cole Masterson isn't called a manwhore for nothing. He goes through men like water, anything's better than getting his heart broken again.

When he sees Benjamin for the first time, the soldier's struggles tug at Cole's heart and he knows he must help.

What starts out as a business relationship, quickly builds into a passionate love affair.

How are they to know they'll soon be inseparable?

How are they to know their genuine friendship will lead to true love?

But there's a secret Cole is hiding from Benjamin:

It was Cole's fault Benjamin lost his leg in battle.

How will Benjamin handle it if he finds out? And is their love strong enough to endure even this?
