The Left Hand of the Vagina, Goddess of the Misfit Amazon Laura Djakpa

This book describes my personal journey through difficult circumstances, tragedy, and social rejection. It provides inspiration to discover and accept who you are, understand your strengths and weaknesses, and grow through spiritual awareness. As the years pass, we should strive to improve ourselves and, in the process, bring hope and support to others. In the end, we will be measured by the quality of our character and by our efforts to nurture and encourage the development of others.
